

Doris Chacón

Senior Brand & Web Designer

Sabaneta, Colombia | +57 314 769 4393 | dorisch2412@gmail.com | Portfolio: <https://canva.link/eq16epe83hhs2fm> | LinkedIn: <https://www.linkedin.com/in/doris-chacón>

Professional Summary

Senior Brand & Web Designer creating cohesive identities, UX/UI systems, and responsive digital experiences. I combine strategic thinking with AI-assisted workflows to move projects efficiently from concept to implementation.

Core Skills

- Brand strategy
- Visual identity
- Creative direction
- UX/UI design
- Responsive web design
- Design systems
- E-commerce design
- Content strategy
- Custom illustration
- AI-assisted implementation

Professional Experience

Independent Practice

Senior Brand, UX/UI & Web Designer

2018 – PRESENT

- Lead brand identity, UX/UI, responsive web, and e-commerce projects from strategy through implementation.
- Build scalable visual systems and recently integrated AI-assisted workflows into web design and development to accelerate research, prototyping, implementation, and delivery.

Acrobits

Lead Graphic Designer / Senior Brand & Web Designer

2024 – PRESENT

- Designed and improved more than 50 responsive product, industry, feature, pricing, and campaign pages.
- Built and maintained the Figma design system and connected Figma, GitHub, and Claude Code, cutting design-to-live time by approximately half while supporting visual QA and performance.

Azure Printed Homes

Brand & Web Designer

2023 – 2024

- Refined the visual identity and designed the responsive website and modular-home product configurator.
- Structured complex interior and exterior options and created vector illustrations to explain home models, materials, layouts, and features.

Selected Projects

Design MAAF

Visual identity, brand book, stationery, and content and social media guidelines.

Dear Lula

Visual identity, custom illustrations, brand book, product graphics, and Shopify e-commerce.

BME — Better Me Enterprises

Brand identity and guidelines applied to responsive web, booking and e-commerce flows, and social media templates.

Tools

Figma, Adobe Illustrator, Adobe Photoshop, Adobe InDesign, Canva, Shopify, GitHub, VS Code, Claude Code, and Codex.
